**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I prefer Sonic and other smaller competitors rather than the huge corporations that want to destroy these great companies. Smaller competitors are vital in keeping these huge national concerns under control. Once they gain control by destroying the competition, prices will just keep rising higher than they already are.

Don't cave in to the money interests that want to monopolize.

Thank you.
